Just spoke with [Citizen Name/Ex. 6]. She did not seem to have any firsthand knowledge of owning property near Silverton, or what a mill site was. She said she would get in touch with the team lead in that region, and have him contact me. I told her that I would be in the office today until four, but out tomorrow, and her team lead should contact either Kerry (I gave your office number, as I don't have your cell), or Steve's cell phone number. Will let you know if I hear anything back today.

Amelia---I called the [Personal Phone/Ex. 6] number---they told me this was the CEO's number and transferred me to their Milwaukee plant office number of to talk to a [Citizen Name/Ex. 6] who is a lawyer. Her number is [Personal Phone/Ex. 6]. I have tried several times to get ahold of [Citizen Name/Ex. 6] but she seems to be out--no answering machine to leave message. It might be better if we both tried to get ahold of her during the day-----and if you get ahold of her you can tell her I can contact her and fill her in on details of where and what we need. I just need a person to talk to and that may take some work by both of us to get to.

Kerry,

Thanks for catching up with me regarding access. This form still has language for staging waste rock; would likely make sense to check in with Steve and see if that still makes sense to include or not. Contact information from the [Personal Address/Ex. 6] is below. Let me know whatever else I can do.

Thanks,

ap

All,

Based on the info below, Citizen Name/Ex. 6. Here is another number to try, Personal Phone/Ex. 6.
Personal Phone/Ex. 6 If this number does not work, I will contact the assessor's office, although it is possible to pay by credit card so we may not get much info.

Is there any way to ask the assessor's office the name of the person signing the check for the taxes? That might at least get us to a name. We can also put together a letter and send it out, but I worry about it not being able to get to the correct person.

All, I tried both of the numbers below. The receptionist at the [REDACTED] area code number said to call the Milwaukee office. I called the corporate office [REDACTED] area code number, and attempted to get through the automated system. There's a [REDACTED] **Citizen Name/Ex. 6** [REDACTED] I could not find a way to get a live person on the phone without knowing an extension first. Even pressing zero for an operator only lead to a different automated system.

Hey Guys.

Shawn sent the contact information for the current owner of the Personal Address/Ex. 6 and I'm copying it below. I'm also attaching an access form, it hopefully will capture what you need. Please review, and let me know if it needs to be changed. It likely makes the most sense for Steve, Craig, or Shawn to make first contact to request access, since the whole EPA attorney-title sometimes tends to unnecessarily elevate issues like access. Please let me know however else I can be of assistance.

Thanks,

ap

Hi Shawn,

Steve asked that I forward on some information about a claim owner we need to get in contact with, Steve is more than happy to talk with them once we know who to talk to, here is the info.

I spoke with San Juan County and they said that the claim south of the Anglo Saxon that we need access to is as follows:

Claim Name Personal Address/Ex. 6

Personal Address/Ex. 6

Thanks,
Elliott
